

November 4, 2024

Dear valued customer:

Greetings!

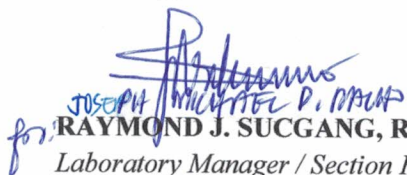

The Nuclear Analytical Techniques Application Section would like to inform you of the schedule of the annual cut-off of sample receiving for the Nuclear Analytical Services for this year 2024. The NATA Section will conduct its yearly inventory and equipment preventive maintenance activities after this scheduled date.

The NATA Section will receive your samples **on or before November 20, 2024 (Wednesday)** and will resume next year on **January 6, 2025 (Monday)**.

Kindly lodge your job order application and sample details at the PNRI Portal (<https://services.pnri.dost.gov.ph/portal/natas/Apply>) prior to submission.

Thank you very much!

Your truly,

  
for **JOSEPH MICHAEL P. DRAMA**
