## **RPSS Operational Guidelines for Customers**

### **Advisory No. 6**

#### **Extension of Monitoring Periods for the OSL and TLD Personnel Monitoring Service (OPMS & TPMS)**

To our valued RPSS customers, in line with the RPSS Operational Guidelines found on <https://services.pnri.dost.gov.ph/portal/Appoint>, please find below additional guidelines for the OSL and TLD PERSONNEL MONITORING SERVICES provided by the Radiation Protection Services Section.

Due to the logistical difficulties brought about by the COVID-19 pandemic and the declaration of the Enhanced Community Quarantine in Metro Manila, the current inventory of personal dosimeters in the RPSS laboratories is limited. To help ensure continued monitoring of your staff, the following guidelines will therefore apply:

1. If replacement dosimeters are not yet received, please **EXTEND** the use of the dosimeters until the next monitoring period. That is,
  - a) For the **March – April 2021 Monitoring Period**, you may return your dosimeters starting JULY 2021.
  - b) For the **April – May 2021 Monitoring Period**, you may return your dosimeters starting AUGUST 2021.
2. Due to this extended use, all payments and subscriptions will be adjusted accordingly. Penalty fees will also be waived as appropriate.

We apologize for the inconvenience/s this may bring upon your company. For any concerns or queries, you may email us at [rps@pnri.dost.gov.ph](mailto:rps@pnri.dost.gov.ph). You may also contact us at the following phone numbers: 09336079294; 09270660751 or at 89296011 to 19 local 246/262.

Also, please visit and follow the RPSS Facebook page **DOST – PNRI Radiation Protection Services** for more updates and announcements. You may message us through the **RPSS FB Messenger** on Mondays to Fridays at 8 AM – 5 PM for live chat with our available staff.

Thank you for your understanding and cooperation.

  
**KRISTINE MARIE D. ROMALLOSA**  
Head, Radiation Protection Services Section
